

With the redesign of the WFCAs website, there have been some questions on where to find nomination forms as well as how to go about filling them out. These instructions will help guide you to find the information you need.

Just a reminder, all forms and nomination information is found at wifca.org, the association's official website. Many of the more common nomination forms can be found on the left side of the page under the Quick Links option. You can click on these links to go directly to the form requested.

All forms and nomination information can also be found by going to the top right of the wifca.org website and placing your mouse over the Resources tab; a menu will come down where you can select "Forms and Nominations". Please be sure to read the WFCAs Member Award Procedures on that page as well.

All nominations and forms (with the exception of All-Star game nominations) are available as a PDF document. After clicking on the requested link, you will be redirected to page where you can view the form you've selected. In the upper right of the page is the option to Download or Print the document. Select Download to be able to edit and type in your information.

Once you have downloaded the PDF form, you can either fill it out immediately or save it to your computer to fill out at a later time. You will be able to type information into different text boxes and/or select several options. Please be as thorough as possible, and be sure to read all instructions prior to filling out the forms.

Once completed, it is recommended that you immediately print off the form by choosing Print in the File menu. Please be advised, depending on the software on your computer, you may not be able to save a form with the information you have entered (saving will only save the blank form). If this is the case, just as in the past you will need to print out the completed form and then fax, mail, or scan and email it to the appropriate party. It is recommended that you print or make a copy for your records as well.

Completed Hall of Fame nomination forms can be returned to the WFCAs Office:

WFCA HALL OF FAME NOMINEE DATA FORM

PLEASE USE FOR ALL DATA

CRITERIA: All coaches considered for induction must have a minimum of ten years of coaching in the State of Wisconsin. Priority will be given to coaches who have retired or who have coached until retirement age. Criteria for selection will be based on record, longevity, and service to the WFCA. It is further proposed that all head coaches in Wisconsin reaching 20 years of service be automatically nominated to the selection committee for consideration. A coach who has satisfied the above criteria and has reached the age of 50 can be nominated to the Hall of Fame even though he is still actively coaching.

CATEGORIES: Three categories will be considered for membership.

1. *High School.* In this category we will honor those people who have been outstanding achievers at the high school level.
2. *College.* In this category we will honor those people who have been outstanding achievers at the college level. They must be native to the State of Wisconsin if their achievements have come in an out-of-state school. This includes *players* as well as *coaches*.
3. *Citation.* This category would honor anyone who has been an outstanding contributor to the football program in the State of Wisconsin. This includes members of the media, administration, trainers, officials, etc.
